Please Support our 13 Home Mission Parish Priests

This request for your help is made on behalf of thirteen parish priests of the Greek Orthodox Archdiocese of America.

For more than a dozen years the Leadership 100 Home Mission Parish Grant has been making it feasible for priests to be assigned to newly-established parishes and small parishes in a period of renewal. This program has been a great blessing and has helped many parishes to gain the leadership of a full-time priest and to become self-supporting parishes of the Greek Orthodox Archdiocese of America.

Administration of the grant is handled by the Department of Outreach & Evangelism, with 100% of funds received going to the mission parish priests who have agreed to serve these parishes.

Understandably, economic conditions did not permit Leadership 100 to fully fund the program for the April 2009-March 2010. They have however made a generous donation which will fund the program for the next 2½ months.

We ask you to help us fund this program for the remaining 9 ½ months of this program year. We are not seeking funds to add new parishes to the program, but only to continue to support priests already assigned. This would require \$8,550 per month from April 2009 through March 2010.

Your assistance would allow us to keep priests in these thirteen blossoming Greek Orthodox communities throughout the United States.

Thank you for your consideration of this request on behalf of our dedicated parish priests.
